

THE WENONAH “MINI-WARBLER”

NOVEMBER 2008

We hope that this finds you well. It’s certainly been another phenomenal year at Camp!

Our Fall Outdoor Centre season has now come to an end and we’re back in our Main Office in Burlington for the winter. As we move into our “off season” time, we wanted to share several bits of news with our Camp families:

- **REGISTRATION FOR SUMMER CAMP 2009**

We’ve recently passed the 80% of capacity mark for the 2009 Summer Camp season at Wenonah! We have enclosed final statements for 2008 and for those that have registered for 2009, please also find enclosed a copy of your statement confirming the Period(s) for next season.

Many new families have expressed interest in Wenonah and we are now beginning to accept those registrations. If you know of anyone that may be interested in attending Wenonah in 2009, please note that we have enclosed two registration sets with this mailing for you to distribute (includes a Warbler, two registration forms for new campers and an Essential Information page). Registration as of November 3, 2008 for the 2009 camping season:

The Wenonah website continues to be updated on a regular basis! Pictures from the 2008 Summer Camp season are now online (under Summer Camp, click on Photo Gallery).

As well, Jeff has begun a blog on the home page which will be periodically updated with news from Wenonah!

2009: A LOOK AHEAD!

As we now turn our attention to planning for another successful season in 2009, here are just a few of the projects and initiatives that we are working towards:

- Expansion of the Main Lodge including a Sunporch with seating for 60-80.
- Construction of a new tripping centre to house equipment and supplies for our canoe tripping program.
- Two new additional tabins in Leadership Village (completed October 2008).
- Additional seating at the Main Campfire.

- After a successful launch in 2008, the Wenonah General Store in 2009 will feature the opportunity to purchase a limited number of food and drink items during Summer Camp.
- Watch for an introduction of several new PIC areas in 2009 including a new creative program focussing on voice/vocal music.
- The new WEEnonah program will launch in 2009. WEEnonah is a three day program for younger campers 5-7 years of age.

Numerous other programs, projects and initiatives are being considered and will be approved over the next few months. Watch for more details in the January 2009 Warbler!
