

WENONAH FOUNDATION

~ Donation Form ~

The Wenonah Foundation helps families give their children a Summer Camp experience that will last a lifetime. The Foundation is supported solely through private contributions given generously by Camp families and friends.

At Camp Wenonah, we believe strongly that the Summer Camp experience leaves a lasting impact on every child. Our goal is for each child to benefit from higher self-esteem, greater self-confidence, newly developed friendships, and a healthier lifestyle.

Our philosophy is supported by our Mission Statement:

Providing opportunities that develop a healthy respect and appreciation for one's self, for others and for the natural world.

Contributions of any amount are greatly appreciated by the children and families who benefit from them. All donations go directly towards providing children with a Summer Camp experience. Camp Wenonah covers all related administrative costs.
